

The Gallup Birdhouses Return

Our awesome Gallup Birdhouses just keep getting better! Please join us by creating a unique birdhouse for this year's auction!

We are putting out a call for help to the artists, community members, businesses and organizations of Gallup and the surrounding area to take part in the Birdhouse Project.

We will provide a basic wooden birdhouse to the first 60 adult participants. After those are gone you may buy your own birdhouse or feel free to make your own! We ask that each birdhouse be decorated, reinvented, repurposed, embellished, or in some manner changed. The intent of the project is to honor our cause by raising money. Quality of work is important to that end.

The birdhouses will be due Saturday, April 17th and some will be on public display after April 23rd. The birdhouse auction will be Sunday, May 1st at 6:00 p.m. at Sammy C's Pub and Grill on W. Coal in downtown Gallup.

We want you to have fun with this project. Be creative! Be fearless! Make something memorable! Leave your mark on Gallup!

The Birdhouse Project is a fundraiser for the Ups & Downs Team of the American Cancer Society's Relay For Life of Gallup and McKinley County. This year's theme is "The Million Dollar Year" to celebrate Gallup's Relay reaching \$1,000,000 since we started in 2000. How-ever, you do NOT have to follow the Relay theme!

To see most of the last eight years' birdhouses, go to this address: www.gallupbirdhouses.com. Shortly after all entries are in, the birdhouses that will be on auction this year will be on the website, too. If you are unable to attend the auction on **May 1st**, you may submit bids for any birdhouse by e-mail or by contacting Linda Shelton by **April 30th**.

Relay For Life raises money for research, education, advocacy and cancer patient services. It is the major fundraising activity of the American Cancer Society. The financial goal of the 2016 Gallup Relay is at least \$70,000.

The goal of the American Cancer Society is to find a cure for cancer in our lifetime! The dollars we raise may make the difference!

Thank you for joining with us in fighting cancer! If you have any cancer-related questions call 1-800-ACS-2345 or go to www.cancer.org.

Downloadable registration forms will be available at our website: www.gallupbirdhouses.com
